

V URAL MINING FORUM

THE REGULATIONS

THE URAL MINING FORUM is the exhibition and congress event integrating scientific-technical conferences and specialized exhibition “**Mining art: Science. Technologies. Equipment. Special facilities**”; subject “round tables”, business meetings and talks of the leaders of Russia mining, metallurgical and machine-building complexes of CIS and far-foreign countries.

The objectives:

- solving problems on defining mining-metallurgical complex priorities and assistance in working out the strategy of mining branch innovation progress by consolidating the efforts of academic, branch institutes, college science, design organizations and industrial plants;
- The demonstration of advanced scientific and technological developments and products;
- Promotion the plants’ technical re-equipment with up-to-date facilities and technologies.

The organizers:

- Ural branch of Russian academy of sciences
- Institute of Mining UB RAS
- Ural state mining university
- JSC “ExpoGrad” company
- NCP “Mining association of the Urals

By the support of:

- Russian fund of fundamental researches
- The Department on mineral resources management in the Ural federal province
- Industry and science Ministry of the Sverdlovsk province
- The Ministry of international and foreign-economic relations of the Sverdlovsk province
- The machine-builders’ union of Russia
- The Sverdlovsk province Union of machine-building plants
- The Committee on industrial policy and business progress of Yekaterinburg administration

MEMBERSHIP OF THE FORUM ORGANIZING COMMITTEE

Co-chairmen:	
Kornilov Sergey Victorovich	The director of the Institute of Mining, RAS Ural branch (IM UB RAS), the President of NCP “Mining association of the Urals”
Harlov Alexander Vladimirovich	The Minister of international and foreign-economic relations of the Sverdlovsk province
Charushin Valery Nickolaevich	The Chairman of RAS Ural branch
Kosarev Nickolay Petrovich	The head of the Ural state mining university
Koroteev Victor Alexeevich	The Chairman of the Joint academic council on Earth sciences of the RAS Ural branch
Chaadaev Alexander Sergeevich	Vice-president-director of the institute “Yakutniproalmaz”
Yakovlev Victor Leon-tievich	The chairman of the Ural branch department Academy of mining sciences
The secretary of the forum:	
Glebov Andrey Val-lerievich	The IM UB RAS assistant-director on scientific problems, general director of NCP “Mining association of the Urals”
Members of the organizing committee:	
Antoninova Natalya Yurievna	The head of the laboratory of mining production ecology
Baryakh Alexander Abramovich	Director of the Mining Institute of the RAS Ural branch (MI UB RAS)
Bakhtourin Yury Alexeevich	The head of the laboratory of open pit transport systems and geo-technique, IM UB RAS
Boukhmastov Andrey Vladimirovich	The director of NCP “the Sverdlovsk province Union of machine-building plants”
Votyakov Sergey Leonidovich	The director of the Institute of geology and geo-chemistry, Ural branch RAS
Galliev Seitgaly Joldasovich	Vice-president of JC “the Kazakhstan Institute of industry development”, the Kazakhstan republic Ministry of industry and new technologies
Djibladze Vakhtang Vakhtangovich	The head of the marketing department of the RAS Ural branch Presidium
Ziryanov Igor Vladimirovich	Assistant-director on scientific work of the institute “Yakutniproalmaz”
Konstantinova Olga Vasilievna	General director of JSC “CHSC “Expograd”
Kravchenko Alexander Nickolaevich	The head of the department of the Ural “Rostechnadzor” board
Makarov Alexander	Vice-president of the Ural commercial and industrial

Victorovich	chamber
Martishko Peter Sergeevich	The director of the Institute of geo-physics of the RAS Ural branch (IGPH UB RAS)
Melnikov Nickolay Nickolaevich	The director of the Mining institute of the RAS Kola scientific center (MI KSC RAS)
Osipov Alexey Anatolievich	The chief of Trade delegation of the Sverdlovsk province plants in Tajikistan Republic
Panzhin Andrey Alexeevich	Scientific secretary, IM UB RAS
Polyanin Victor Dmitrievich	Counselor-manager of the embassy department of Belarus republic in Russian Federation in Yekaterinburg
Rilkov Sergey Alexandrovich	The manager of regional agency on mineral resources management in the Ural federal province
Sashourin Anatoly Dmitrievich	The head of the IM UB RAS geo-mechanics department
Selivanov Evgeny Nickolaevich	The director of the Institute of metallurgy, the RAS Ural branch
Slobodan Vujich	The professor of mining-geological faculty of Belgrade university, the academician of Serbia engineering sciences academy
Talalay Alexander Grigorievich	General director of the "NEDRA" concern
Tsipin Evgeny Phedorovich	The professor of the chair of mineral resources processing, the Ural state mining university
Shemenev Valery Gennadievich	The head of the laboratory of rocks break-down, IM UB RAS
Hardkhuugiin Jargalsaihan	The director of the Institute of mining, Mongolian state university of science and technologies (IM Mon SUST)
Tchervyakov Sergey Alexeevich	The director of the division Mining equipment, JSC "the Uralmash Engineering"

SUBJECT-MATTER ORIENTATIONS OF THE V URAL MINING FORUM

Scientific-technical conferences:

- *"GEOMECHANICS IN MINING ART"* (the organizers: IM UB RAS, MI UB RAS);
- *"THE PROGRESS OF RESOURCE-SAVING TECHNOLOGIES IN BLASTING ART"* (the organizers: IM UB RAS, NCP "Blasters of the Urals", CJC "Vzrivispi-taniya");
- *"INNOVATION TECHNOLOGIES OF PROCESSING MINERAL AND TECHNOGENOUS RAW MATERIALS"* (the organizers: USMU, NEDRA concern);

- *TECHNOLOGICAL PLATFORM “SOLID MINERAL RESOURCES”*: technological and ecologic problems of development natural and technogenous mineral resources” (the organizers: IM UB RAS, BG UB RAS, IIE UB RAS, IPaA UB RAS);
- *“THE PROBLEMS OF OPEN PIT TRANSPORT”* (the organizers: IM UB RAS);
- *“V READINGS IN MEMORY OF I.N. IVANOV, CORRESPONDING MEMBER”*, “Pyrite deposits – geology, reconnaissance, mining and ore recovery” (the organizers: IGaG UB RAS)
- *“THE PROBLEMS AND PROSPECTS OF METAKKURGY AND MACHINE-BUILDING PROGRESS EMPLOYING COMPLETED FUNDAMENTAL RESEARCHES AND RESEARCH AND R&D WORKS”* (the organizers: IMET UB RAS, IPHM UB RAS, ISM UB RAS).

Scientific and practical seminar:

- *“INFORMATIONAL TECHNOLOGIES AND PROCESSES’ AUTOMATIZATION FOR THE PLANTS OF MINING-METALLURGICAL COMPLEX”* (the organizers: IM UB RAS, MI KCC RAS, IM FED RAS)

Round tables:

- *“DESIGNING OF MINING PLANTS: ACTUALIZATION OF TECHNOLOGICAL DESIGNING STANDARDS”* (the organizers: IM UB RAS, JC “ALROSA”);
- *“THE PROBLEMS OF MINING ENGINEERING”* (the organizers: IM UB RAS, JSC “the Uralmash”, USMU);
- *“MINING PRODUCTION SAFETY”: innovations in legislation”* (the organizers: the Ural Rostekhnadzor board, IM UB RAS).

Business meetings:

- *12th (XXXIII) URAL MINING CONGRESS* (the organizers: IM UB RAS, NCP “Mining association of the Urals”);
- *THE SITTING OF THE URAL DEPARTMENT OF MINING SCIENCES ACADEMY* (the organizers: IM UB RAS, the AMS Ural department);
- *NCP “BLASTERS OF THE URALS” – GUEST SITTING*: “technology and safety of drilling-blasting operations in subsurface Ural mines” (the organizers: IM UB RAS, NCP “Blasters of the Urals”, CJC “Uralvzrivispitaniya”).

Exhibition projects of the forum (organizer: JSC “ExpoGrad”):

- *“UralExpoGeo”*
- *“MINING ART: Science. Technologies. Equipment. Special facilities”*.
- *“METALLURGY”*
- *“HIGHWAY ENGINEERING. FACILITIES AND TECHNOLOGIES”*
- *“ECOLOGY. INDUSTRIAL SAFETY”*

THE WORKING PROGRAM

THE 30TH OF SEPTEMBER (MONDAY)	
10.00-18.00	REGISTRATION THE PARTICIPANTS OF THE EXHIBITION AND THE EXPOSITITON PRESENTATION
THE 1ST OF OCTOBER (TUESDAY)	
10.00-18.00	FUNCTIONING OF THE EXHIBITION
12.00	THE CEREMONY OF THE FORUM OFICIAL OPENING, EXAMINATION THE EXPOSITIONS OF THE EXHIBITION BY GUESTS OF HONOUR
13.00-14.00	PLENARY MEETING
14.00-18.00	SCIENTIFIC AND TECHNICAL CONFERENCES WORKING
18.00	CULTURAL PROGRAM
THE 2ND OF OCTOBER (WEDNESDAY)	
10.00-18.00	FUNCTIONING OF THE EXHIBITION
10.00-18.00	SCIENTIFIC AND TECHNICAL CONFERENCES WORKING
18.15	EXCURSION PROGRAM FOR PARTICIPANTS OF THE EXHIBITION
THE 3^D OF OCTOBER (THURSDAY)	
10.00-16.00	FUNCTIONING OF THE EXHIBITION
10.00-16.00	SCIENTIFIC AND TECHNICAL CONFERENCES WORKING
12.00-15.00	ROUND TABLES
15.30-16.00	THE CEREMONY OF REWARDING PARTICIPANTS OF THE EXHIBITION
16.00	THE FORUM’S FINAL PLENARY SITTING. SUMMING UP
16.00	THE EXPOSITION DISMOUNTING

THE PLACE OF HOLDING THE FORUM:

**The IEC “Yekaterinburg-Expo”, Yekaterinburg,
Expo avenue, 2.**
